MASTER PLAN

The Pittwater Council has received the Master Plan for the area around our hall. This will be on public view 21 August 2008 until 21 October 2008. The plan includes NEW parking facilities, landscaping and coastal footpath area & boat ramp facilities.

If you are sick of getting your car washed every time you park at the hall....you need to ACT NOW!!! Please email / write your support to Pittwater Council.

The support that this Master plan gets from our Scout Family will ensure that we get FASTER attention by the council and project can get underway SOONER!

WORKING BEE

Our 2nd parent working bee will be held Saturday 6th September from 8-1pm.

We had a fantastic response to our June working bee, and we aim to focus on completing some of the projects, and also produce our Xmas tree sale signs needed for December.

UPCOMING FUNDRAISING EVENTS

There are some great events coming up to support our fundraising efforts for 1st Bayview Seascouts – so LOCK THESE DATES in your diary NOW!

The Pancake Family Day will be held Sunday 14th September at the Scout Hall. Enjoy pancakes overlooking the Pittwater – and a social catch up to meet your Scouting friends and family.

A “not to be missed” event will be our “Country & Western Night” being held Sat 8th November at the Scout Hall. Steve Dean (Scout Leader) will be our dance caller, and you will be spoilt with a fantastic buffet including the wood-fired spit by Icon Catering.
